_ RER : Line C, Station Champ de Mars
_ Bus : 42, 69, 82, 87
_ Taxi : One taxi station next door

SCHEDULE – ATTENDANCE - LANGUAGE
The schedule is very important to ensure a smooth meeting and we ask you to be on time for each session.

The participation to the whole program is not compulsory.

All the presentations and information will be given in English. The documents are also available in English only.

DOCUMENTS
All the documents will be given to each participant before each session.

The presentations made during the training will be available from our web site after the event. Please don't ask for the presentations on the spot.

Requirements

Please note, that if you are interested to participate in WS B session, it will be necessary to preinstall the software on your computer or be an administrator of your computer to be able to install the software at the UIC. The details on how to install the software will be provided in advance. The UIC computer containing the software will be available during the session
